

## 5 Top Canadian Blue-Chip Stocks to Buy and Hold

### Description

A blue-chip company is a large, well-established company that is a leader in its industry. This kind of company usually has been paying a dividend for many years and increases it regularly.

Blue-chip stocks are often defensive stocks that have a great ability to survive to market crashes.

There are many great blue-chip stocks in the Canadian market. I selected five stocks that I think are good buys at the moment.
