Shopify provides a platform where businesses of all sizes can operate online stores. Recently, Shopify founder and CEO Tobi Lütke announced that **Netflix** was the latest large enterprise Shopify customer. It's no secret that climate change is becoming a very hot topic among the younger generation. One of the leading solutions to remedy the situation is to invest in renewable energies. Younger investors realize that by reducing our gas consumption, we will be able to reduce our carbon footprint and slow the effects of climate change. **Brookfield Renewable Partners** ([TSX:BEP.UN](#))([NYSE:BEP](#)) is a global leader in this space.
